3 **Lead Warning Statement**

4 Every purchaser of any interest in residential real property on which a residential dwelling was built prior to 1978\* is notified that such property  
5 may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young  
6 children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and  
7 impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required  
8 to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify  
9 the buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior  
10 to purchase.

11 \* EPA and HUD consider "residential dwellings built prior to 1978" to mean housing for which a construction permit was obtained (or if no permit was obtained,
